Outstanding Students, Staff, and Faculty Recognized at 2025 Roger P. Webb Awards

Zachary Winiecki

Wed, 04/09/2025 - 12:00

Some of the Georgia Tech [School of Electrical and Computer Engineering](#)'s most outstanding students, staff, and faculty were recognized at the 2025 [Roger P. Webb Awards](#) Program on Tuesday, April 8.

For the first time ever, the event was held at the Georgia Tech Alumni House. The School also introduced a Teaching Excellence Award for Non-Tenure Track Faculty and formally recognized student nominees for Institute-level awards.

Professor [Gabriel Rincón-Mora](#) was honored with the most prestigious and final award of the ceremony, the Distinguished Faculty Achievement Award, for his career achievements and sustained contributions to his field and ECE.

The full list of award winners can be found below. You can also view and download photos from the event [here](#) and watch the video of the entire ceremony [here](#).

Undergraduate Student Awards

HKN Outstanding Computer Engineering Sophomore Award

Eta Kappa Nu (HKN), the honor society for ECE, recognizes the computer engineering student who is in their second year and who has the highest scholastic average.

Zimeng Chai

Distinguished Faculty Achievement Award

This award is presented to a full professor or Regents' Professor who has made significant contributions throughout his/her career.

Gabriel Alfonso Rincón-Mora
